

2016 CAMPER INFO

Tipping Policy

We are very proud of our staff and counselors at ILC. They work exceptionally hard every day to give your campers a great ILC experience. Being acknowledged by parents for their hard work is extremely well received.

At ILC, *we encourage and recommend tipping your child's bunk counselor.* For a tipping guideline, we recommend \$25 per bunk counselor per session.

As performance day is very exciting and busy, tips may be handed to the bunk counselors directly, or you may leave them in the office to be distributed later by a Director. Please visit our Piggy Bank to withdraw cash from your Camper's account or exchange a credit card deposit for cash, or provide change if you need.

Parents who are unable to attend Performance Day can call or email the office and arrange for ILC to distribute cash as tips either from your Camper's account or by charging a credit card on file or provided to us.

Feel free to contact our office with any questions or concerns regarding this matter.
