

Camper Accounts

*2017 Camper Info

If you are new to ILC, we set up a "pocket money" account for each camper. In ILC lingo, this is referred to as their camper or piggybank account. This small bank account can be used throughout each camper's stay for various items.

WHY DOES ILC DO THIS?

We encourage all campers and families to take advantage of this service for a few reasons.

First, we have found it a better and safer solution to keeping cash in the campers' possessions. This eliminates the chance of money becoming lost or stolen.

Second, we believe in supporting our campers to gain independence at ILC. One of the many ways we accomplish this is by allowing campers to have a small bank account that they are able to manage. Although there are many possible parental controls for this account (which are set up through our *Camper Account Parental Controls Form*), we find it is a great opportunity for our campers to think and learn about money, budgeting, and spending. Here are a few suggestions to help your camper manage their money:

- Talk with your camper before they come to camp about your expectations with their bank account.
- Have your camper take some personal ownership of their own account by contributing some of their own money to it. Many families in the past have "matched" their camper's savings.
- Let your camper be independent in their decisions at camp with this small account.
- Understand your camper when setting up the parental controls.

WHAT IS THE MONEY USED FOR?

Listed below are brief explanations of the possible transactions that the account can be used for. This information will be helpful for filling out the *Camper Account Parental Controls Form*.

PIGGY BANK	During meals, campers have the ability to go to the "piggy bank" and buy stamps, phone cards, or withdrawal cash for use in the soda machines. Campers are limited to take out \$5 per day.
EXTRA CANTEEN	During the evening, we open up a canteen that sells candy, soda, and pizza. We offer a free candy and soda to each camper, however they can charge their accounts for pizza or extra of the other items. Also, during the afternoon we have a golf cart that sells various ice-cream treats to campers who wish to buy them.
PIZZA PARTIES	We provide the opportunity for campers or their families to purchase a pizza party for their bunk or group of friends. The pizza is delivered to the camper's bunk after the evening activity on the night desired. This can be charged to their camper account or purchased directly through the <i>Pizza Party Order Form</i> located beneath the forms and documents section of your CampInTouch account.
DEPARTMENT SHOP PURCHASES	<p>Campers are able to purchase some supplies and clothing from our departments and the camp store using. This includes:</p> <ul style="list-style-type: none"> • Magic Tricks from our Trick Shop. • Magic Cards and Supplies from our Dungeon Shop. • Diablos and Juggling Equipment from our Circus Shop, and • ILC clothing and gear from our Camp Shop

NOTE: : These purchases can be restricted or limited on the *Camper Account Parental Controls Form*

LAZY DAY TRIPS

We set up a trip in the middle of each session on what we call "Lazy Day." The trips vary by session but cost between \$60 and \$85. Please see the *Lazy Day Trip Information* document on our website or beneath the forms and documents section of your CampInTouch account for more detailed information on Lazy Day trips by session.

We offer many great other optional trips throughout each session. Dates and exact prices are not preset, however below is a general overview of trips we have done in the past:

OTHER OFF-CAMP TRIPS

- [Sports Games](#) – Campers often travel to other camps to compete in sports. While no cost to travel, the teams often stop for ice-cream or a treat on their way back to celebrate a victory or mourn a loss.
- [Houdini Trip](#) – Each session our Magic department takes enthused campers to the Harry Houdini Museum located an hour from ILC. Here, these campers can further their magic education. After, the group enjoys a buffet dinner at a Chinese restaurant nearby. The price of this trip ranges between \$40 and \$50 depending on the amount of campers to go.
- [Arlo's and/or Rooney's Trips](#) – Throughout each session, our management staff take campers on trips to a local ice-cream and convenience store 10 minutes from ILC. This often occurs if a camper surpasses a goal they set in one of their activities or a bunk receives a certain amount of perfect scores in their daily cleaning inspection. While no cost to travel, campers often purchase treats at these stores.
- [Wayne County Fair](#) – Once a summer our county throws a fair with all sorts of rides and treats. Here, campers get to experience a traditional country fair. This trip costs between \$30.00 and \$40.00 depending on the amount of campers who go. This price includes tickets, unlimited rides, and \$10.00 spending money.
- [Other Off-Camp Trips](#) - Please remember, this list is not exhaustive because every summer different counselors come up with new ideas for trips that compliment their programs.

Note: Our policy is to allow campers going on any of these trips to take more than the \$5 limit from their account. You can limit the amount of money to be taken on these trips on the *Camper Account Parental Controls Form*.
