### LEAVING CAMP ON PERFORMANCE DAY

#### **Leaving Camp For Good**

Parents often ask about taking their campers home after performance day since it is the day before the session ends. It is entirely up to you.

About 1/2 of the campers leaving that session will leave after performance day. The remainder will enjoy the end of session music video and slide show, a campfire and leave Sunday morning. Many campers want to stay in camp as long as possible!

Luggage assistance begins at 2.00 PM on performance days. All staff members, including those with golf carts have other obligations that make it very difficult to help you with bags before 2.00pm. If you do decided to take your camper home after performance day, be sure to stop by the office to sign your camper out and empty their piggy bank account.

#### **Taking Your Camper Off Camp**

You are welcome to take your child off camp premises if you wish.

When taking your child off campgrounds you must first inform their bunk counselor how long you will be gone, and then sign them out at the office. Similarly, when arriving back in camp you must sign the camper in at the office and inform his or her counselor.

If you will not be back before 9:00 PM (when our office closes), please alert us to that when signing out. The office will not be open when you return so have your camper check in immediately with their counselor on OD to let them know they have returned. Your camper must be back on camp by their curfew time unless they are spending the night off of camp with you.

#### **Taking Someone Else's Camper Off Camp**

If you would like to take a camper off camp who is not your child, the parent or guardian of that camper must complete the *Leaving Camp With Someone Else Permission Form* located beneath the "Forms and Documents" section of their CampInTouch account.

On this form, the parent must indicate the date of the trip, the destination of the trip, and the name of the adult taking them.

**SAMPLE PERFORMANCE DAY SCHEDULE**
